RE: PERSONAL NECESSITY LEAVE

Dear Mr. Arias:

This is to memorialize that the Los Angeles Unified School District and SEIU Local 99, have agreed to a modification to the personal necessity language in Article XIII of the Unit F Collective Bargaining Agreement as stated below:

“9.0 Personal Necessity Leave: An employee shall, subject to the limits set forth below, be granted a personal necessity leave when the gravity of the situations described below require the personal attention of the employee during assigned hours of service:

a. Death or serious illness of a member of the employee's immediate family. The immediate family is defined as the parent, grandparent or grandchild of the employee or the employee's spouse, and the spouse, child (including foster child), brother, sister, daughter-in-law, or son-in-law of the employee, or any relative living in the immediate household of the employee;

b. Accident involving the employee's person or property or the person or property of a member of the employee's immediate family;

c. Birth of the employee's child or adoption of a child by the employee;

d. Religious holiday of the employee's faith;

e. Imminent danger to the home of an employee occasioned by a disaster such as flood, fire, or earthquake;

f. Other significant event of a compelling nature to the employee, the gravity of which is comparable to the above, which demands the personal attention of the employee during assigned hours and which the employee cannot reasonably be expected to disregard, limited to one (1) occasion in any school year.

g. An appearance of the employee in court as a litigant or as a witness under an official governmental order, provided that:

- (1) Each day of necessary attendance as a litigant or as a witness under such an official governmental order must be certified by the clerk or other authorized officer of a court or other governmental jurisdiction;
- (2) The employee must return to work in cases where it is not necessary to be absent the entire day;

h. Two (2) of the six (6) days allowed under Personal Necessity Leave may be taken for registration or final examinations in an accredited institution of higher learning. Verification of the registration or examination schedule may be required by the appropriate administrator; or

i. Required attendance at the employee's child's or ward's classroom and meeting with the school administrator because of suspension pursuant to Education Code Section 48900.1.

j. An employee shall be allowed up to four (4) [one for Non-Degree Track] additional days of personal necessity leave in any calendar year to attend to the illness of a child, parent, or spouse of the employee as provided by Section 233 of the Labor Code. All existing contractual conditions for use of illness leave shall apply to this leave as well. Use of illness leave as provided above shall not extend the maximum period of leave to which an employee is entitled under Article XIII, Section 18.0 Family Care and Medical Leave.

k. On a maximum of two (2) occasions during a school year (up to a cumulative total of eight (8) hours in a school year), to attend the funeral of a close friend or relative not included in the definition of immediate family (immediate family as defined in Section 8.0 of this Article).

9.1 The following limits and conditions are placed upon allowing a personal necessity leave of absence:

- a. The total number of days allowed in one school year for such leave shall not exceed six (6) days;
- b. The personal necessity leave may not be granted during a strike, demonstration or any work stoppage involving this bargaining unit;
- c. Written request on the appropriate form shall be filed with the appropriate administrator no less than five (5) working days in advance of a religious holiday or court appearance; and

Sincerely,

Vivian Ekchian
